

SAUVIGNON BLANC

The name **DS** stands for the initials of the surname **De Stefani**, the family that has been producing Premium wines in Veneto, Italy, for five generations. “**Tra Mari e Monti**” represents the true meaning of these wines, carefully crafted in Veneto between the Adriatic Sea and the Dolomite Mountains, where the perfect microclimate for the growth of grapes appears to be.

DS Sauvignon Blanc has a straw yellow color with greenish reflections. On the nose an elegant perfume with notes of mango, musk and elderberry. It has a good minerality, freshness and marked acidity. It is ideal to accompany linguine with pesto, vegetables, especially asparagus and fresh cheeses. We suggest to serve at 8-10°C.
