

# BLANC DE NOIRS

Grapes: Raboso

Blanc de Noirs is a Traditional Method produced with Raboso grapes, an indigenous red grape variety vinified in white, with long refinement in the bottle on its natural indigenous yeasts.

The wine tells a new and sophisticated interpretation of Raboso, an iconic expression of the Piave Valley.

It has a rich structure, with hints of bread crust, walnuts and almonds, all balanced by a refreshing mineral finish.

*Ideal with oysters, seafood and raw scampi.*
