## DS ZERO RED

### Red Alcohol Free Wine

**I am DS ZERO Red, an alcohol-removed red wine, that everyone can enjoy for any occasion.**

I have intense notes of ripe red fruits and a light spiciness, with a soft body and a pleasantly balanced finish.

#### Where I'm produced!

The grapes come from a vineyard with the ideal structure for vine growing, with a high percentage of clay and minerals, which contribute to give elegance and fruity notes.

#### How I taste!

I have an intense bright ruby red colour, with notes of ripe red fruits and a light spiciness, a soft body and a pleasantly balanced finish.

#### How I'm made...

Pressing of the grapes, chilling the must to 0°C and then having a single fermentation at 15°C. I am then gently heated to about 30°C **under vacuum**, in this way alcohol is removed preserving all my original and natural aromas.

#### Who Should Drink Me!

Who is driving, who is working, who is on a diet, who is practicing intense sports, who is a non-drinker, who has health issues, who can't for religious reasons, who is pregnant, who is not in the legal drinking age or simply who considers me delightful.

#### Match Me When...

Ideal with aperitifs, fresh cheese, vegetables and legumes.  
Best to enjoy at 12-14°C.
